NOTICE OF PROPOSED RULE MAKING

Adopted: December 1, 2004

Released: December 3, 2004

Comment Date: January 24, 2005

Reply Comment Date: February 8, 2005

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a petition for rulemaking filed by Justin Robinson ("Petitioner") proposing the allotment of Channel 283A at Ammon, Idaho as the community's first local aural transmission service.¹ Petitioner states that it will file an application for the channel if allotted.

2. In support of the proposal, Petitioner states that Ammon is a community for allotment purposes. They point out that it is an incorporated city and has its own city government. Our analysis shows that it has a 2000 U.S. Census population of 6,187 persons.

3. We find that the proposal warrants consideration because it could provide the community with its first local aural transmission service. Channel 283A can be allotted at Ammon in accordance with the Commission's rules at a site 3.5 kilometers (2.2 miles) southwest of the community.²

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, 47 C.F.R. Section 73.202(b), with respect to the communities listed below, as follows:

<u>Community</u>	<u>Present</u>	<u>Channel</u>	<u>Proposed</u>
Ammon, Idaho	---		283A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.

¹ This petition was originally returned by letter dated May 6, 2004 because a staff analysis revealed a conflict with Channel 282C1 at Victor, Idaho. Petitioner filed a petition for reconsideration of that return stating that no conflict existed and requesting that a *Notice of Proposed Rulemaking* be issued. Our analysis now shows that the conflict has been resolved. We are therefore issuing this *Notice of Proposed Rulemaking* in response to the petition.

² The coordinates for Channel 283A at Ammon are 43-27-00 NL and 112-00-00 WL.

6. Pursuant to Sections 1.415 and 1.419 of the Commission's Rules, interested parties may file comments or counterproposals on or before January 24, 2005, and reply comments on or before February 8, 2005, and are advised to read the *Appendix* for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on Petitioners' counsel, as follows:

Dennis F. Begley, Esq.
Reddy, Begley & McCormick, LLP
2175 K Street, NW
Suite 350
Washington, DC 20037-1845

7. Parties who choose to file by paper must file an original and four copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. The filing hours at this location are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail or Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW, Washington, D.C. 20554. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

8. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.³ This document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13. In addition, therefore, it does not contain any new or modified "information collection burden for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, *see* 44 U.S.C. 3506(c)(4).

9. For further information concerning this proceeding, contact Victoria M. McCauley (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioners constitutes an *ex parte*

³ See *Certification that Section 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Makings to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*. 46 FR 11549 (February 9, 1981).

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, as set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments (*see* Section 1.420(d) of the Commission's Rules).

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the petitioners. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments (*see* Section 1.420(a), (b) and (c) of the Commission's Rules). Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of Section 1.420 of the Commission's Rules, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center, at its headquarters, 445 12th Street, S.W., Washington, D.C.
